Isaiah 54:17 No weapon forged against you will prevail and you will refute every tongue that accuses you. This is the heritage of the servants of the Lord and this is their vindication from me," declares the LORD.

God's Word Stands

When everything around you is being shaken you can stand knowing that God's word will prevail. He is our ever present help in these times of trouble. His Word is established in the heavens and it cannot be undone. All of His promises to you are yes and amen and He alone holds your future. No weapon that the enemy forms against you will prosper and every slanderous, evil report that satan instigates against you will not prosper because the Lord has declared that YOU will come forth as refined silver (Is 54:15-17). He is watching over every word concerning you to make sure that it comes forth. Do not grow weary in well doing for in due season, at the just the right time you will reap the benefits of God's blessings in your life. His Words are

Spirit and Life and they will not come back void.

So arise and shine today for the glory of God is on you. Let His light shine through your life so that those in darkness will see your good works and glorify God in heaven. Take the sword of God's word and declare His truth for your life, your family, and your community. Jesus was the word made flesh and He ever lives to make intercession for us. God's Word speaks truth and life into every situation of our lives because the WORD is alive, active and powerful. When all is shaken that can be shaken, God's word will still be standing!

Prayer: Dear Lord, thank You that Your word is eternal. Thank You for allowing The Word to become flesh in the life of Jesus. Thank You that Jesus, the Word, now sits at Your right hand and makes intercession for me. I choose now to submit and surrender myself to Your word for my life. Let it come forth through

me and produce the harvest that you desire. Help me to stand strong in You and the power of Your might knowing that in the end, Your word will still be standing in my life. In Jesus Name, Amen.
