

It seems that there are two times when the enemy hits me. When I've had a GREAT victory and/or when I've had a GREAT defeat. It seems that satan is never satisfied. He loves to fight and he never fights fair. While it may be true that God will never give us more than we can bear, satan works overtime piling it on! He watches for our weaknesses and zeros in on them.

Fighting the good fight of faith is a challenge when our opponent is notorious for hitting below the belt. So what are we to do? Be on guard at all times. 1 Peter 5:9 says that satan roams around like a roaring lion seeking whom he may devour. According to John 10:10 his job assignment is to kill, steal and destroy. Make no mistake; the enemy has you in his sites. His fiery darts are aimed right at you. The only way to win this fight is to put on the full armor of God and FIGHT the good fight of faith. We must believe that God works ALL things to good when we love and trust Him with all our hearts.

Since we aren't fighting with flesh and blood, we must learn to fight with the weapons God has given us so that we can stand against the enemy and put him under our feet! We've been given supernatural armor to fight the principalities that fight against us (Eph. 6). Our helmet of salvation will guard our minds against the schemes of the enemy. The breastplate of righteousness reminds us of who we are In Christ. The belt of Truth protects us from the lies that satan hurls at us. The shoes of peace cause us to stand in the evil day when all hell is breaking out around us. The Sword Of Spirit, God's Word, is alive, active and powerful against the enemy and his plans (Hebrews 4:12). And the Shield of Faith deflects the missiles that satan and his cohorts fire at us.

So today, I pray that you will fight, fight, fight! Fight for your family; fight for your community; fight for your churches; fight for your friends. You have mighty weapons; USE THEM! Believe that with God ALL things are possible because greater is He that is in YOU than anything that is in the world.

Blessings,
Cinde

It is estimated that about 75% of church attendance is made up of women. It is also estimated that 1 out of 3 girls will be abused in some way before she turns 18. When you put those two facts together, it's easy to understand why women need to experience the love and grace of Jesus. These meetings have become something I look forward to each month. We gather together to laugh, cry and enjoy God's presence. It is a time of personal renewal that women desperately need. We invite you to come and join us as learn to grow in our walk with Christ!
